freeform[®]
The versatile reversible tray

Catálogo 2017

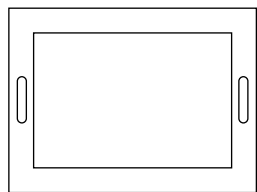

H 167 X W 68 X D 65 CM

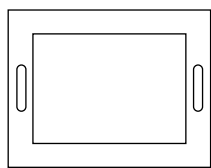

The **freeform**[®] tray is an amazing product which switches between an elegant place setting and versatile tray, just by picking it up and putting it down. Want to change the colour - just flip it over! Storage space a problem - freeform trays store totally flat! So simple and elegant in its form and function - a true masterpiece that will enhance your home.

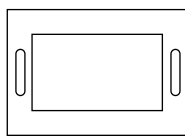

The **Faux Leather freeform®** tray comes in 3 sizes, with several shapes of placemats also available. All in a choice of 8 co-ordinating colours.

freeform®

Patent No. 2 481 085
Patent No. USA 9 402 492
Applications pending in all major markets

freeform® placemats are the perfect size for a complete place setting.

The Big Picture is a truly creative initiative, which incorporates our specialised digital printing system to offer high definition full colour printing, allowing us to offer enhanced bespoke design capabilities to our global customer base. We can design and deliver bespoke designs on core products, including the award winning **freeform**[®] flat-to-formed, reversible tray, which, with a large printable surface on both sides, is the perfect platform for presenting striking images, designs and messages.
